Zoom for K-12 Schools & Districts

Zoom across your school district
Zoom helps you build today’s collaborative classrooms

Enrich teaching & learning
Expand traditional classrooms with video communications to meet the growing needs of today’s students.

Maximize your resources
Utilize resources and hardware you already have to expand your capabilities and community offerings.

Improve learning outcomes
Increase student participation and learning retention with virtual and hybrid classrooms and micro-learning.

- HD video and audio provide exceptional clarity and quality to virtual and hybrid classes.
- Students can join classes virtually, from any device, boosting attendance and retention.
- Session recording and automatic transcription allow students to learn at their own pace.
- Simple user management and single sign-on make video a seamless component of the learning experience.

"Zoom gives us the opportunity to expand while offering the quality of technology and quality of experience we need to teach effectively."
Sister Mary Theresa
Queen of All Saints Academy

Track student engagement
User management dashboards for tracking usage, attendance, attention, in-meeting data, and more.

Integrate seamlessly with your LMS
Moodle, Canvas, Desire2Learn, Sakai, and Blackboard learning management systems.

Security and compliance
Zoom enables FERPA/HIPAA compliance and provides end-to-end 256-bit AES encryption.

Accessibility for all learners
Ensure that everyone can participate equitably with closed captioning and keyboard shortcuts.
Enhanced collaboration features
Collaborating on projects and ideas is easy with one-click content sharing, real-time co-annotation, and digital whiteboarding.

New ways for students to engage
Video breakout rooms, multi-sharing, polling, and group chats add a new level of engagement to virtual and hybrid classes.

Microlearning opportunities
Create and repurpose video content into easily-digested hosted videos that allow students to learn at their own pace.

What does a video-enabled schools and districts look like? Let's take a look!

Administrative staff meetings connect faculty across the school and/or district for better alignment and clarity

Professional development teams virtually observe a teacher’s classroom for annual critique and feedback.

Educators simulcast their classroom to offsite classrooms and individual online learners.

Virtual field trips bring the world inside the classroom, enriching student learning.

Communicate important safety information via audio and video to all schools in the district.

Virtual tutoring, study hall, and mentoring give students opportunities to learn beyond the classroom.
